

Armstrong Creek Sharks – Sponsorship Packages 2026

About Us

In 2018, following on from the success of the local Auskick program, the Armstrong Creek Sharks were formed.

Since then, the Sharks have grown into one of Geelong's fastest-growing football and netball clubs, built on a foundation of respect, teamwork, and community spirit. Our mission is to provide a supportive, inclusive, and family-friendly environment that encourages every player and member to develop both on and off the field.

We are proud to celebrate major milestones, including the installation of new lights on Oval 2 – a true game-changer that will allow our players to train and compete in a first-class facility right here in Armstrong Creek.

In 2026, we estimate the club will proudly field 20 junior football teams, 16 netball teams, and over 200 Auskick and Super Kick participants — a reflection of the incredible growth and engagement within our local community.

Our dedication and passion have been recognised across the region, with accolades including Junior Coach of the Year, Super Kick Coordinator of the Year, and multiple AFL Barwon League Best and Fairest winners. On the field, we've achieved premiership success in both football and netball, a testament to the talent, commitment, and culture that define our club.

We are now looking for sponsors who want to join forces with an amazing club — partners who share our vision and want to be part of our journey as we grow from a strong junior foundation into a powerhouse senior club.

Together, we will continue to provide opportunities for our community to participate, learn, and thrive through the great games of Aussie Rules Football and Netball.
